

# Ca $\pi$ llary™ Capillaries

- **\$314.16 for the whole  $\pi$  or just a piece**

*Finally, a price for a capillary column that matches the tiny bit of filling!*

- **Cut your own piece of  $\pi$**

*All 75 $\mu$ m and 150 $\mu$ m columns are produced 250mm long. Use as is, or use the included ceramic cutter to customize.*

- Increase the life - Trim the inlet if you plug it!
- Save MS costs - Shorten to optimize assay times.
- Reduce variability - Match dimensions to prior columns.
- Optimize the interface - Cut the outlet or use a fitting.

- **Enormous selection of fillings offered!**

- *Twelve polymeric phases*
- *Over 20 Silica based phases including:*

**TARGA, CLIPEUS, PROTO 200, PROTO 300, PHALANX**

AVAILABLE THROUGH THE NEST GROUP, INC.
